Log Number: PB253
Subject: New Fits
To: Valued Blue Ox Dealers and Distributors
Date: February 28th, 2024

The Product Development team has added these new fit applications and/or products to our towing line.

Introducing the NEW Blue Ox Receiver Hitch. Our custom-designed receiver hitches are engineered to meet the unique specifications of your vehicle's make and model, enhancing towing efficiency while elevating the look of your vehicle. Experience the pinnacle of protection with our "Premium textured black Powder Coat over e-Coat" designed to shield against rust and corrosion. Adherence to the rigorous SAE J684 standards is a hallmark of our commitment to quality. We stand behind our robust limited lifetime warranty, supporting you for countless miles to come. Our hitches often include a wiring plug mounting bracket for quick installation.

Note to all dealers and distributors:

As we work to improve manufacturing processes and efficiencies some of our baseplates have or will be redesigned or updated. Please see products below.

A running change has been made to the BX2692 baseplate.

This will effects all baseplates made after 4/12/2023. The changes made will not effect the overall look or fitment of the baseplate but will make it easier for dealers to install and more efficient for us to produce.

The BX2692 fits the following vehicles:

- 2021-2023 Ford Bronco (Modular Bumper) (Includes Adaptive Cruise Control, Shutters, & Turbo)
- 2022-2023 Ford Bronco (Standard Bumper w/ D-rings) (Includes Adaptive Cruise Control & Shutters)

Product Bulletin

Log Number: PB210
Subject: New Fits
To: Valued Blue Ox Dealers and Distributors
Date: June 2nd, 2021

The Product Development team has added these new fit applications and/or products to our towing line.

Introducing the new TrackPro and 2-Point universal bracket kits. The new kits will replace the existing bracket kits for both the TrackPro and 2-Point Hitches. These kits will allow for easier installation and hook up as the backing plate is now interchangeable and can be used on either the driver side or passenger side of the trailer.
