

BLUE OX

SwayPro™

Weight Distributing Hitch

Caster in the hitch head constantly centers the trailer.

Spring bars augment the suspensions of the tow vehicle & trailer.

Rotating latches with clamp-on brackets for noise free sway prevention.

Standard Tongue Weights Available: 350, 550, 750, 1000, 1500, 2000 (2.5" Shank).

All equipped with 2-5/16" ball.

Spring Bar Identification

Tongue Weight Indicated by dots on the bar.
